

Anthony Micco

491 Oakridge Drive • Youngstown, Ohio, 44512 • (330) 881-8284 • anthonymicco2003@gmail.com

Objective

Seeking an internship/co-op in the field of computer science.

Education

Youngstown State University, Youngstown, OH

Bachelor of Science in Computer Science

Expected Graduation: December 2025

Overall GPA: 4.0/4.0

Skills & Relevant Coursework

- **Programming Experience:** C++, Java, Python, CSS, Javascript, SQL, R, React, Typescript, and GitHub
- **Relevant Coursework:** CSIS 5801 Software Engineering, DATX 5896 Selected Topics in Data Analytics, MATH 3720 Linear Algebra and Matrix Theory, CSIS 3722 Development of Databases

Internship Experience

Computer Technology Intern

Jan 2023-Aug 2023

Boardman Local Schools, Boardman, OH

- Carefully and efficiently replaced broken Chromebook screens
- Provided technical support to teachers and staff throughout school district
- Managed and updated inventory of district's devices

Projects

Fantasy Football Application, CSIS 5806 Software Engineering, YSU

Sept 2023-Present

- Class project with peers in software engineering course
- Developing a mobile application using React Native for the backend framework, Nest JS for the frontend framework, Expo for the development and MySQL for the database.
- The purpose of the application is to provide users with the best possible fantasy football draft based on their draft position.

Fitness Workout Tracker, Personal

Jan 2023-April 2023

- Collaborating with a fellow computer science major to develop a fitness web-app using React for the framework.
- Features include ability to upload workouts including number of sets, reps and weight
- Currently working to implement calorie tracking so users can track daily meals and snacks

Work Experience

Assistant Middle School Football Coach

July 2022-Present

Boardman Local Schools, Boardman, OH

- Effectively demonstrate techniques and drills
- Assisted in rotating athletes in and out during competitions
- Carefully broke down film to prepare gameplan

Landscaper

June 2019-Sept 2022

Clear Cut Stump Grinding, Canfield, OH

- Diligently removed wood chips from work site
- Efficiently wheeled topsoil and landscape rock to work site
- Carefully spread grass seed and fertilizer
